**UPLIFTING
SOLUTIONS**

- Square backed contemporary mesh backed task chair.
- Distinctive ribbed back rest support under lightweight mesh cover.
- Upholstered seat pan.
- Variable synchro tilt mechanism, that allows the user either to lock the seat at a particular angle or use a 'free float' option, with tension adjustment.
- Multiple angle and height adjustments of the armrests
- Polished raked alloy star base.
- Variety of fabrics and other options.
