

Imesh

**UPLIFTING
SOLUTIONS**

- Excellent lightweight mesh chair, suitable for home or business.
- Variable synchro tilt mechanism, that allows the user either to lock the seat at a particular angle or use a 'free float' option, with tension adjustment.
- Back rest has an adjustable lumbar support and the slim line star base is slightly raked.
- Available in black mesh back with matching fabric seat.
- Can be accessorized with chrome arm and chrome star base options.
